Someone has said that a picture is worth more than a thousand words and I have chosen to do so in this month's News Letter. Below is the boat that our Sea Scouts entered in. Mint Condition was a beauty to behold

Note the skill that the boatman displayed as he dug each oar gracefully into the water.

The plan was to lay back on our opponent and then turn on the power of our mighty oars as we crossed the finish line.

Well the plan was not to be fulfilled this year. But who knew the wind and the current would fight against us?

If you are not in this picture, I guess you were not there to help us celebrate, Ron.

Sea Scout Ship 811

Daytona Beach Sail & Power Squadron

Greetings

The next meetings will be: Quarterdeck Meeting on Tuesday June 5th at Adventure Boat Club and the General Meeting 19th at the Halifax Harbor Boater's Lounge.

Our meetings have changed from the 2nd and 4th Tuesdays to the 1st and third Tuesdays of each month. This will allow for attendance to the Central Florida Council meetings now being held on the 2nd Tuesdays of the month.

We had a great time at the Cardboard Boat Race at the D-23 Picnic in Titusville. Our new boat "Mint Condition" took best in show and 2nd in the single category. Kyle Baker and Frank Vranorsey were there to accept the award and proudly represent our Ship.

We are planning a Boat Handling practice departing from Adventure Boat Club at 0830 and ending at 1130. We will head to Manatee Island for docking practice and low speed obstacle course steering forward and reverse, and then we will see what else we have time to do.

We have been asked to prepare a presentation on boating for the July Three Rivers District Round Table Meeting and we will need to pick a topic and start preparing for the presentation.

The Cats Point Regatta will be coming up in November and we will be training with our new Scouts to be ready.

If you can help or have suggestions on how to improve our program, please let me know.

We are looking for more Scouts. If you know someone age 14 to 21 who could benefit from our Scouting program, contact me at 386-299-4536.

Thanks again, God bless, and until next time, Happy sails to you!

Respectfully,
Skipper Jeff Wise

DAYTONA BEACH SAIL AND POWER SQUADRON AUXILIARY

The Auxiliary is looking forward to helping with the Fall Conference.

We were happy to see that the Sea Scouts boat, "Mint Condition" took best in show and came in 2nd in the Cardboard Boat Race, in Titusville.

We have a Quillow to raffle off.

During the Summer, The Auxiliary Meetings will be held immediately following the lunch meetings of the "Lunch Bunch".

In June, the "Lunch Bunch" will meet 12:30 P. M., on Monday, June 11, at the Olive Garden Restaurant in Daytona Beach. **The Auxiliary Meeting will immediately follow.**

In July, the "Lunch Bunch" will meet 12:30 P.M. on Monday, July 9, at the Cracker Barrel Restaurant in Daytona Beach. **The Auxiliary Meeting will immediately follow.**

Aluminum cans are still being collected. Please remind family and friends. Thank you.

We hope you have a nice Summer.

Respectfully submitted,
Rita H. Wise, Secretary

SQUADRON EDUCATION OFFICER'S REPORT

Modern engines offer high reliability and good performance through the use of computerized systems for fuel delivery and engine timing. Most of these systems are "black boxes" that can no longer be serviced by weekend mechanics with ordinary tools. The EM course covers those repairs that do-it-yourselfers can still perform, teaches how to diagnose problems that might be beyond your ability to fix, and how to share information with your mechanic so the right repairs get performed. The new Engine Maintenance course also covers basic mechanical systems such as drive systems (propellers), steering systems, and engine controls. The last chapter discusses solutions you might use to problems that could occur while afloat and away from a repair facility. Gasoline, diesel, and outboard engines are treated independently in this chapter.

The course is scheduled to start at the ARC center from 7 to 9 PM Tue July 31 for 10 weeks and end Oct. 2 The cost is \$40.
